We proudly present our African tournament

In the organizations we have carried out from 2014 to the present with success and results, Cameroon, Nigeria, and Ghana stand out as countries where the best and most talented players in Africa come from.

This Year's Tournament

Our first tournament of the year will be in Nigeria. Just like in the past, we believe that our utmost effort and dedication will provide you with the best service and make you happy.

Our Goal

Contributing to world football and our country's football makes us more confident and more dedicated. It is impossible not to see our efforts for world football. In these economic conditions, we are working with all our strength to show the right path to all clubs and to ensure the purity of football for you.

Why Us?

Because we are experienced, systematic, organized, equipped, and meticulous, all focused on success.

Tournament Dates and Host Country

This year, as always, we are organizing the tournament in Enugu, Nigeria, the undisputed talent hub of football. We would be delighted to have you among us. If you have any questions about the dates and information below, please feel free to contact us.
